Human Capital Management System

## Introducing the Affordable Alternative to Enterprise Human Capital Management Systems

As an HR professional, you need the utility of an enterprise-level HCMS, but not at the cost of your entire budget. You also need a solution that is easy to implement, use, and scale. ***You need HRnext.***

Planet Payroll's HRnext will take your organization to the next level while saving you time and financial resources. Enjoy the efficiency of a single sign-on solution for electronic document storage, applicant tracking, employee onboarding, PTO and performance management, event tracking, and reporting. Best of all, the seamless integration with payroll and time & attendance ensures complete data integrity.

### Cool Features

- Housed in the Cloud – no software installation or expensive hardware required
- Hosted by Microsoft Azure™ – secure and reliable
- Supports all major browsers and tablets
- Highly Intuitive with easy search, sort, and drag-and-drop functionality
- Bi-directional Employee Self Service
- Best Report Writer Ever
- Infinitely Scalable (almost) – works as well for 5,000 employees as for 5

### Awesome Functionality

- Applicant Tracking
- Paperless Onboarding
- Demographics, Work History, Benefits, Pay History
- Documents Storage
- Paid Time Off Management
- Performance Reviews
- Flexible Configuration
- Rapid Implementation
- Ad-hoc Reporting
